book about leading executive conversations

performance hard work and sponsors get top talent recognized and promoted but leadership potential isn't enough to lever men and women into the executive suite leadership roles are given to those who also look and act the part top jobs often elude women because they lack executive presence or underestimate its importance executive presence depends on getting three things right appearance communication and gravitas this comes from the abstract on page 1

executive presence matters when 400 ceos were asked how they choose next level leaders 89 of them said they looked for one critical trait executive presence this quality is crucial for professional success in executive presence joel garfinkle shows you how to step into your power convey confidence and lead with conviction as you rise in your organization your executive presence must keep pace with your growth the higher the stakes the more you need that power and presence using extensive original research gleaned from studying executive presence for more than 15 years joel has uncovered the 9 essential qualities of executive presence his 3x3 executive presence model doesn't just explain executive presence for the modern leader it walks you step by step through exercises and strategies for cultivating each essential element methodically explaining how to master each one he equips you with a personalized plan for growth demystifies what executive presence is and

debunks misconceptions that hold you back this book provides the blueprint for how to master 3 key executive presence domains 1 radiate gravitas 2 act with authority 3 express yourself fully in executive presence you'll learn how to radiate the commanding self assured presence of a high level leader bring power conviction and a strong point of view to your presentations move from passivity and self doubt to self assurance and bold decision making exude a professional magnetism that influences others at every level cultivate and leverage charisma in all your interactions communicate in a clear crisp and concise way maybe you've come across the term executive presence in hbr but you couldn't adequately define it let alone begin to grow it this book will change that as you delve into the lessons from executive presence you'll join top ranking organizational leaders who know how to influence others and drive extraordinary results whether you're a rising star or ceo executive presence will guide you in leading a high performing team moving from passivity and self doubt to self assurance and bold decision making you'll become the high impact leader who propels your organization forward executive presence is for women people of color and other employees from marginalized groups who are too often underappreciated which causes companies to miss out on their full range of talent by cultivating executive presence women and any overlooked employees can smash through the glass ceiling and gain the recognition they deserve if you're in one of these demographics growing your executive presence will allow you to leap over the barriers you may encounter in your career what's the key differentiator between this executive presence book and its competitors sylvia ann hewlett's executive presence the missing link between merit and success paul aldo's understanding executive presence debra a benton's executive presence for the modern leader and harrison monarth's executive presence second edition the 3x3 executive presence model provides a clear structured blueprint for developing the most important facets of executive presence learn about the 3 domains gravitas authority and expression that act as the foundational pillars holding up the 9 executive presence competencies

please note this is a companion version not the original book sample book insights 1 executive presence is not a measure of performance but rather of image it is a combination of qualities that telegraphs that you have what it takes to be in charge or deserve to be 2 the importance of nonmusical factors is often overlooked by musicians the way a musician presents themselves onstage is as important as their musical skills 3 the world of music illustrates the importance of image in the workplace the best predictor of success on the competition circuit was whether a pianist could communicate passion through

body language and facial expression 4 the three pillars of ep are how you act how you speak and how you look they are not equally important but they are all important gravitas is the core characteristic signaling that you know your stuff cold is more important than either communication or appearance
