vidarbha a major cotton growing region in central india has been the epicentre of a protracted agrarian crisis chronic indebtedness and farmers suicides continue unabated despite decades of state intervention going beyond the contemporary discourse that finds fault in neoliberal policies and integration with global markets this fascinating book tells the story of how nineteenth century accidents particularly in the form of colonial policies and the american civil war ushered in institutional transformations that shaped the region s cotton economy by drawing insights from their longitudinal study in villages of the region spanning 12 years gaurav and ranganathan present the gambles that farmers are part of the novelty of combining a long view of history and evidence based on primary field research results in a book that underscores the importance of investigating roots of agrarian crisis and paying attention to adjustments of farm households at a crucial juncture in india s economic transformation

how the immigration courts became part of the nation s law enforcement agency and how to reshape them during the trump administration the immigration courts were decried as more politicized enforcement weapon than impartial tribunal yet few people are aware of a fundamental flaw in the system that has long pre dated that administration the immigration courts are not really courts at all but an office of the department of justice the nation s law enforcement agency this original and surprising diagnosis shows how paranoia sparked by world war ii and the war on terror drove the structure of the immigration courts focusing on previously unstudied decisions in the roosevelt and bush administrations the narrative laid out in this book divulges both the human tragedy of our current immigration court system and the human crises that led to its creation moving the reader from understanding to action alison peck offers a lens through which to evaluate contemporary bills and proposals to reform our immigration court system peck provides an accessible legal analysis of recent events to make the case for independent immigration courts proposing that the courts be moved into an independent article i court system as long as the immigration courts remain under the authority of the attorney general the administration of immigration justice will remain a game of political football with people s very lives on the line

at a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that american college campuses are not magnets for murderers but sanctuaries from them because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the u s public at large drawing on crime data submitted in compliance with the clery act and public reports of those crimes this study inventories every documented homicide at a u s college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety
