first published in 2000 the fight to have the american legal system recognize native american

religions has taken many forms from the confrontation over indian usage of eagle feathers and the ingestion of peyote in religious ceremonies to the right of students to have traditional indian hair styles while attending public schools it was thought that the passage of the american indian religious freedoms act of 1978 would alleviate these problems but supreme court interpretations have essentially eviscerated this law in addition to these issues the articles in this collection address the ongoing conflict between native americans and museums and states over who has rights to the skeletal remains and burial objects that have been illegally recovered throughout the u s

indigenous cultures meticulously protect and preserve their traditions those traditions often have deep connections to the homelands of indigenous peoples thus forming strong relationships between culture land and communities autoethnography can help shed light on the nature and complexity of these relationships indigenous research of land self and spirit is a collection of innovative research that focuses on the ties between indigenous cultures and the constructs of land as self and agency it also covers critical intersectional feminist and heuristic inquiries across a variety of indigenous peoples highlighting a broad range of topics including environmental studies land rights and storytelling this book is ideally designed for policymakers academicians students and researchers in the fields of sociology diversity anthropology environmentalism and history

the routledge companion to native american literature engages the multiple scenes of tension historical political cultural and aesthetic that constitutes a problematic legacy in terms of community identity ethnicity gender and sexuality language and sovereignty in the study of native american literature this important and timely addition to the field provides context for issues that enter into native american literary texts through allusions references and language use the volume presents over forty essays by leading and emerging international scholars and analyses regional cultural racial and sexual identities in native american literature key historical moments from the earliest period of colonial contact to the present worldviews in relation to issues such as health spirituality animals and physical environments traditions of cultural creation that are key to understanding the styles allusions and language of native american literature the impact of differing literary forms of native american literature this collection provides a map of the critical

issues central to the discipline as well as uncovering new perspectives and new directions for the development of the field it supports academic study and also assists general readers who require a comprehensive yet manageable introduction to the contexts essential to approaching native american literature it is essential reading for anyone interested in the past present and future of this literary culture contributors joseph bauerkemper susan bernardin susan berry brill de ramírez kirby brown david j carlson cari m carpenter eric cheyfitz tova cooper alicia cox birgit dāwes janet fiskio earl e fitz john gamber kathryn n gray sarah henzi susannah hopson hsinya huang brian k hudson bruce e johansen judit Ágnes kádár amelia v katanski susan kollin chris lalonde a robert lee iping liang drew lopenzina brandy n̄lani mcdougall deborah madsen diveena seshetta marcus sabine n meyer carol miller david l moore birgit brander rasmussen mark rifkin kenneth m roemer oliver scheiding lee schweninger stephanie a sellers kathryn w shanley leah sneider david stirrup theodore c van alst jr tammy wahpeconiah

leading national and international critics of native literature and culture examine images in a wide range of media from a variety of perspectives to show how depictions and distortions have reflected and shaped cross cultural exchanges from the arrival of europeans to today focusing on issues of translation european and american perceptions of land and landscape teaching approaches and transatlantic encounters the authors explore problems of appropriation and advocacy of cultural sovereignty and respect for the authentic text most significantly they ask the reader to consider the question who controls the representation back cover

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

the literature on rural america to the extent that it exists has largely been written by urban based scholars perpetuating out of date notions and stereotypes or by those who see little difference between rural and agricultural concerns as a result the real rural america remains much misunderstood neglected or ignored by scholars and policymakers alike in response emery castle offers the changing american countryside a volume that will forever change how we look

at this important subject castle brings together the writings of eminent scholars from several disciplines and varying backgrounds to take a fresh and comprehensive look at the forgotten hinterlands these authors examine the role of non metropolitan people and places in the economic life of our nation and cover such diverse issues as poverty industry the environment education family social problems ethnicity race religion gender government public policy and regional diversity the authors are especially effective in demonstrating why rural america is so much more than just agriculture it is in fact highly diverse complex and interdependent with urban america and the international market place most major rural problems they contend simply cannot be effectively addressed in isolation from their urban and international connections to do so is misguided and even hazardous when one fourth of our population and ninety seven per cent of our land area is rural together these writings not only provide a new and more realistic view of rural life and public policy but also suggest how the field of rural studies can greatly enrich our understanding of national life

in his visit to the shrine of the north american martyrs in 1984 john paul ii declared that it is important that we all recognize that not only is christianity viable for native americans but that jesus christ in the members of his body is himself indian this book is an extended meditation on the pope s pronouncement and its consequences for christian life and mission

the native american tribes of the great plains had rich and varied lifestyles until the coming of europeans despite the many destructive forces focused upon them after that time plains indian people have not only survived but are moving into the new century with renewed hope determination and pride

expands the picture of early american modernism well beyond new york city s dominant impact on the movement by revealing the rich and vibrant modernist art community that new york socialite mabel dodge luhan created in her famous taos new mexico salon
